

element VISION[™]
LED Task Light

Element Vision

Introducing a revolution in LED task lighting. Using cutting-edge advancements in MCX LED Technology™, Element Vision produces a broad footprint of true-color, glare-free illumination—perfect for exceptional ergonomic lighting in any environment.

Beyond using just seven watts of power, Vision's energy-saving features include an intuitive dimmer control for adjustable light intensity and a passive infrared (PIR) occupancy sensor that turns the unit off when the user leaves the area.

Features

- Single MCX LED casts just one shadow
- Produces a large footprint of ergonomic light
- Unique design maximizes light output, reduces glare and increases the light's usable life
- Replaceable LED assembly allows for easy in-field repairs
- Dimmer switch provides adjustable illumination levels
- PIR occupancy sensor automatically turns the unit off when not in use, and back on when the user returns
- 19 mounting options suit virtually any work environment
- Universal power supply and interchangeable plug options accommodate global power outlets
- Perfect internal counterbalance provides effortless, one-touch positioning

Specifications

- Power consumption: 7 watts
- Color Temperature: 3000K
- Color Rendering Index: 89
- Lifespan: Up to 50,000 hours
- UL/cUL/CE certified
- RoHS/WEEE compliant
- Maximum reach: 28"
- Working height: 18"
- Finish options: Black, Silver, White with Silver accents
- 10 year, 24/7 warranty
